The Halifax Waste-Resource Society (HWRS) is a citizen organization founded to monitor the HRM Solid Waste Program, with a focus on the Otter Lake Landfill site through the Community Monitoring Committee (CMC)

At 6:30 PM the CMC Board Meeting will begin. The agenda includes our publication of our Spring Newsletter. Community members will have an opportunity to ask questions of the CMC members. The HWRS AGM will begin after the CMC meeting.

The annual general meeting (AGM) of the Society is convened to provide an annual report on activities and to elect the Board of Directors.

All HRM residents over the age of 18 are eligible to become members of the Society at a nominal cost of \$5.00, which will be collected at the annual meeting.
